BULLHEAD CITY — The Laughlin-Bullhead International Airport will mark the 78th celebration of National Aviation Day on Saturday from 8 to 10:30 a.m. with a display of about 20 aircraft on the aircraft apron.

Visitors also will be able to watch arriving and departing aircraft throughout the morning and enjoy free breakfast and refreshments during the event.

Signature Flight Support, the fixed-base operator at the airport south of the main terminal, is where this event will take place.

President Franklin Roosevelt proclaimed Aug. 19 as National Aviation Day in 1939. It also coincides with the birthday of Orville Wright, who piloted the Wright Flyer in 1903. The purpose of this day is to celebrate the history and future of aviation.

For more information, contact airport administration at 928-754-2134.
