A Blackhawk helicopter arrived at Laughlin/Bullhead City International Airport on Saturday to pick up a traveling flag delivered by the Nation of Patriots. The flag was scheduled to go to Las Vegas on Saturday, and Lancaster, Calif., on Sunday as part of a tour of 48 states that began on Memorial Day weekend, returning to its starting point on Labor Day weekend. Nation of Patriots raises financial support for the families of wounded veterans and uses the annual Patriot Tour to honor America's armed forces.
