Subj: RUNWAY CLOSURE – CRACK SEAL PROJECT APRIL 15 -25, 2024

Dear Tenants and Stakeholders,

1. I am notifying you of the upcoming Runway Crack Seal project that will begin April 15, 2024, and end April 25, 2024.
2. Runway 16/34 will be closed following the April 15, 2024/0800, departure of the Sun Country flight, at which point the Runway markings will be obliterated.
3. This project is 100% ADOT funded.
4. When the runway reopens, there will be temporary marking installed. Thirty (30) days after the completion of work, there will be a pause 24-hour paus in operations to install the permanent markings.
4. Many of you may be aware that this project was originally scheduled for the summer of 2023, but was postponed at the request of the Stakeholders and the allowance of ADOT. The scheduled date is a hard date and is set by ADOT.
5. The taxiway will not become an alternate runway.
6. Helicopters will be permitted to operate within the guidelines of the Construction Site Safety Plan (CSSP).

I hope all of you have made prior arrangements for your aeronautical activities off LBIA property.

Thank you,

A handwritten signature in blue ink, appearing to read "James H. Scheller".

James H. Scheller, C.M.
